

SUMMER CAMP 2027

Booking Terms, Parent/Guardian Contract & Participation Agreement

Student name
Parent / Guardian
Programme / Destination
Programme dates
Booking reference

IMPORTANT - PLEASE READ BEFORE BOOKING

This document sets out the proposed contractual terms for GoStudyIreland summer camp bookings involving children and young people. It should be read together with the student's quotation/booking confirmation, programme description, invoice, medical information, travel details and any destination-specific rules. Where a booking-specific document expressly differs from this agreement, the booking-specific term will apply to that booking, subject to applicable law.

Prepared for 2027 summer camp bookings | Version: July 2026

1. Contracting Party and Scope

- 1 The programme is arranged by Go Study Abroad Adventures Ltd., trading as GoStudyIreland ("GoStudyIreland", "we", "us" or "our"), Company Number 798598, registered office at 5 Abbey Street, Timoleague, Bandon, Co. Cork, Ireland.
- 1 The contracting customer is the parent or legal guardian who makes or authorises the booking ("Parent/Guardian"). The participating child or young person is referred to as the "Student".
- 1 These terms apply to GoStudyIreland junior summer camps and related services booked through GoStudyIreland. The exact destination, dates, duration, accommodation, meals, classes, activities, excursions, transfers and optional extras are those shown in the written quotation or booking confirmation.
- 1 By paying a deposit or other booking payment, or by signing this agreement, the Parent/Guardian confirms that they have authority to book for the Student and accept these terms.

2. Programme Description

- 2 GoStudyIreland's 2027 Ireland summer camp offering includes Ireland and UK programmes, generally for ages 11-17, with 2, 3 or 4 week options. Certain work-experience programmes are offered for older students. The specific programme purchased is determined by the booking confirmation.
- 2 Depending on the package, services may include English classes, host-family or residence accommodation, meals, afternoon activities, excursions, airport transfers, local support and 24/7 emergency assistance.
- 2 Published programmes and sample schedules are illustrative. Activities, teachers, classrooms, host families, residences, transport, excursion order and timetables may change for operational, safety, weather, availability or educational reasons. We will aim to provide a reasonably equivalent alternative where a material element cannot be delivered as planned.
- 2 A place is subject to availability, age suitability, receipt of required information and documents, and acceptance by GoStudyIreland and any relevant school/accommodation provider.

3. Booking and Payment

- 3 The current 2027 summer-camp booking page states that a EUR 120 deposit may be used to reserve a place. The amount actually due for the Student will be the amount shown at checkout, on the invoice or in the booking confirmation.
- 3 After the application is reviewed, GoStudyIreland will communicate the remaining balance and payment deadline(s). A booking is not fully confirmed until GoStudyIreland has accepted it in writing and the required payment has been received.
- 3 The Parent/Guardian must check the invoice and booking confirmation promptly and notify us of any error. Failure to pay an amount by its due date may result in suspension or cancellation of the booking after reasonable notice.
- 3 Bank, card, currency conversion and intermediary charges not expressly included in the quotation are the responsibility of the payer.
- 3 Any discount, early-bird price or promotional rate applies only on the conditions stated with that offer.

4. Cancellation, Refunds and Changes by the Customer

- 4 The cancellation and refund conditions applicable to the booking will be stated in the quotation, booking confirmation, invoice or other written booking communication. The website terms state that refunds and cancellations follow the company's refund policy communicated at the time of booking.
- 4 Cancellation must be notified in writing by the Parent/Guardian. The effective cancellation date is the date on which GoStudyIreland receives the written notice.
- 4 Where third-party costs have already become non-refundable or non-recoverable (for example accommodation, school, transport, tickets, insurance or supplier charges), those amounts may be deducted from any refund to the extent permitted by the booking terms and applicable law.
- 4 Requests to change destination, dates, accommodation, room type or programme are subject to availability and may involve additional supplier costs. No change is effective until confirmed by GoStudyIreland in writing.
- 4 Nothing in this agreement removes any mandatory cancellation, refund or consumer right that cannot lawfully be excluded.

5. Changes or Cancellation by GoStudyIreland

- 5 We may make reasonable changes before or during the programme where necessary because of availability, safety, weather, transport, staffing, supplier changes or circumstances outside our reasonable control.
- 5 If we cancel a programme before arrival and cannot offer a suitable alternative, the Parent/Guardian will be informed of the options available, which may include transfer to another programme or refund of sums paid for services not provided, subject to applicable law and recoverable third-party costs.
- 5 We are not responsible for changes to independently booked flights or travel unless those services were expressly sold by GoStudyIreland as part of the package.

6. Accommodation

- 6 Accommodation may be with a host family or in a student residence, as stated in the booking. GoStudyIreland states that host families used in Ireland are carefully selected and vetted.
- 6 Host-family accommodation is a cultural experience and homes differ in size, style, location, household composition, routines, pets and facilities. A request is not a guarantee unless expressly confirmed in writing.
- 6 Students must respect household/residence rules, curfews, meal times, quiet hours, property, privacy and reasonable instructions.
- 6 GoStudyIreland may move a Student to alternative accommodation where reasonably necessary for welfare, safeguarding, compatibility, operational or disciplinary reasons.
- 6 The Parent/Guardian must disclose allergies, dietary needs, accessibility needs, fear of animals and other accommodation-relevant information before placement.

7. Student Conduct and Behaviour

- 7.1** Students are expected to behave respectfully and safely towards other students, staff, host families, residence staff, teachers and members of the public.
- 7.2** Students must attend required classes and programme activities, comply with curfews and supervision arrangements, and follow lawful safety instructions.

- 7.3 Bullying, harassment, violence, theft, serious property damage, possession or use of illegal drugs, misuse of alcohol, weapons, repeated absences, serious dishonesty, or conduct creating a material safeguarding risk may lead to disciplinary action.
- 7.4 Where behaviour is serious or persistent, GoStudyIreland may remove the Student from an activity, change accommodation, require enhanced supervision, suspend participation or, where proportionate, terminate the Student's programme and arrange early return. The Parent/Guardian may be responsible for reasonable additional costs caused by the Student's misconduct, subject to applicable law.
- 7.5 Students must comply with the laws of the country in which the programme takes place.

8. Supervision, Free Time and Independent Travel

- 8 The level of supervision varies by age, programme, activity and destination. Junior programmes include supervision and local support, but they are not continuous one-to-one childcare.
- 8 Age-appropriate free time may form part of the programme. The Student must follow meeting times, boundaries, curfews, transport instructions and staff directions.
- 8 A Student may not leave the programme overnight, travel independently outside authorised arrangements, or stay with another person without prior written approval from the Parent/Guardian and GoStudyIreland where required.
- 8 The Parent/Guardian must ensure that the Student understands how to contact programme staff and the 24/7 emergency contact.

9. Health, Medical Information and Emergencies

- 9 The Parent/Guardian must provide complete and accurate information about medical conditions, allergies, mental or physical health needs, disabilities, medication, dietary requirements and any other matter that could affect safe participation.
- 9 Medication should be supplied in appropriate packaging with clear instructions. Students should not share medication.
- 9 If urgent medical treatment is reasonably considered necessary and the Parent/Guardian cannot be reached in time, the Parent/Guardian authorises GoStudyIreland staff or its local representatives to seek appropriate medical assessment or emergency treatment for the Student, to the extent permitted by law.
- 9 The Parent/Guardian remains responsible for medical, pharmacy, hospital, ambulance or related costs not covered by insurance or the programme.
- 9 GoStudyIreland may require additional information or medical clearance where reasonably necessary to assess whether the programme can safely meet a Student's needs.

10. Insurance

- 10.1 The GoStudyIreland services page lists travel insurance among the services included in its general programme offering. The Parent/Guardian must check the booking confirmation to verify whether insurance is included for the specific booking and review the applicable policy wording, exclusions, limits and claims procedure.
- 10.2 Where insurance is not included, the Parent/Guardian must arrange adequate travel and medical insurance for the full period of travel, including cancellation, curtailment, medical treatment, repatriation, personal belongings and appropriate activities.
- 10.3 GoStudyIreland is not the insurer and does not determine whether an insurer will accept a claim.

11. Travel Documents, Immigration and Arrival

- 1 The Parent/Guardian is responsible for ensuring the Student holds a valid passport/ID, visa or immigration permission where required, parental travel consent and any documents required by airlines, border authorities or the destination country.
- 1 Travel details must be supplied by the deadline requested by GoStudyIreland. Changes to flights or arrival times must be communicated promptly.
- 1 Where airport transfers are included, they apply only to the airports, dates, time windows and conditions confirmed in the booking. Additional or out-of-hours transfers may incur a charge.
- 1 GoStudyIreland is not responsible for airline delays, cancellations, denied boarding, lost baggage or border decisions, but will provide reasonable assistance where the Student is affected.

12. Classes, Activities and Excursions

- 1 Students may be assessed or placed according to language level, age and class availability. Class composition and teacher allocation may change.
- 1 Activities and excursions may involve ordinary travel and recreational risks. Students must use required safety equipment and follow instructor/staff rules.
- 1 If the Student cannot participate in an activity because of a previously undisclosed condition or because the Student refuses to follow safety rules, an alternative is not guaranteed.
- 1 Programme schedules are subject to change. Where possible, a comparable activity or excursion will be substituted.

13. Safeguarding and Welfare

- 1 Student welfare and safeguarding are central to the programme. Concerns should be reported immediately to the local coordinator or GoStudyIreland emergency contact.
- 1 GoStudyIreland may share relevant welfare information with schools, accommodation providers, medical professionals, safeguarding authorities, insurers or emergency services where reasonably necessary to protect the Student or another person, subject to applicable data-protection law.
- 1 Parents/Guardians must remain contactable during the programme and provide at least one reliable emergency contact.

14. Personal Property and Money

- 1 Students are responsible for reasonable care of passports, phones, money, clothing and other personal belongings. Expensive jewellery and unnecessary valuables should not be brought.
- 1 GoStudyIreland is not responsible for loss, theft or damage to personal property except to the extent caused by its negligence or where liability cannot lawfully be excluded.
- 1 The Student/Parent may be responsible for deliberate or negligent damage caused by the Student to accommodation, school, transport or other property.

15. Photography, Video and Communications

- 1 Programme staff may take photographs or video for operational, safeguarding or group-record purposes.
- 1 Use of an identifiable Student's image for public marketing or promotional material should be based on the separate media consent selected by the Parent/Guardian. Refusing marketing consent will not affect the Student's ability to participate.
- 1 Students and families should respect the privacy of other participants & host families when posting photographs, videos or personal information online. Images from the host's household are forbidden to be posted on social media.

16. Data Protection and Privacy

- 1 GoStudyIreland processes personal information needed to administer bookings, accommodation, education, travel, welfare, payments and emergencies. Information may need to be shared with relevant schools, host families, residences, transport providers, insurers, medical providers and local coordinators.
- 1 Health and safeguarding information will be handled with particular care and shared only where reasonably necessary for the programme, safety, legal obligations or vital interests.
- 1 The website privacy policy and any booking privacy notice should be read alongside this agreement.

17. Complaints and Problem Resolution

- 1 A problem during the programme should be reported as soon as possible to the local coordinator or GoStudyIreland so that there is a reasonable opportunity to resolve it while the Student is in the destination.
- 1 If the matter is not resolved locally, the Parent/Guardian should submit the complaint in writing with relevant details and supporting information.
- 1 Nothing in this clause limits any statutory complaint or consumer remedy.

18. Liability

- 1 GoStudyIreland will exercise reasonable care in arranging the services it has agreed to provide and in selecting relevant suppliers.
- 1 GoStudyIreland is not responsible for loss caused by the Student's own act or omission, an unrelated third party, or circumstances outside GoStudyIreland's reasonable control, except where applicable law provides otherwise.
- 1 Nothing in this agreement excludes or limits liability for death or personal injury caused by negligence, fraud, fraudulent misrepresentation, or any other liability that cannot lawfully be excluded or limited.
- 1 Third-party services may also be subject to the lawful terms of the relevant school, residence, host provider, carrier, insurer, activity provider or other supplier.

19. Events Outside Reasonable Control

- 1 Events outside reasonable control may include severe weather, natural disaster, epidemic/pandemic measures, war, civil unrest, terrorism or security alerts, strikes, transport disruption, government action, border restrictions and major supplier failure.
- 1 If such an event affects the programme, GoStudyIreland may alter, postpone, relocate or cancel affected services and will communicate available options. Refunds or credits will depend on applicable law, the booking terms and amounts recoverable from suppliers.

20. Governing Law and General Terms

- 2 The website Terms & Conditions state that GoStudyIreland's terms are governed by the laws of Ireland and disputes are to be resolved by the competent courts of Ireland. Mandatory consumer protections that apply to the Parent/Guardian remain unaffected.
- 2 If any provision is found invalid or unenforceable, the remaining provisions will continue to apply.
- 2 A failure to enforce a term immediately does not waive the right to enforce it later.
- 2 This agreement, together with the accepted quotation/booking confirmation, invoice and expressly incorporated policies, forms the agreement for the booked programme.

21. Parent / Guardian Declarations

- ☐ I have read and understood this agreement and the booking-specific programme information.
- ☐ I confirm that the information supplied about the Student is complete and accurate.
- ☐ I will promptly notify GoStudyIreland of any material change to the Student's health, medication, dietary needs, welfare needs or travel arrangements.
- ☐ I understand that programme schedules and accommodation arrangements may reasonably change.
- ☐ I understand the Student must comply with programme, accommodation, safety and conduct rules.
- ☐ I confirm that I have reviewed the booking-specific price, payment deadlines, cancellation/refund conditions and inclusions before making final payment.

22. Emergency Medical Authorisation

I authorise GoStudyIreland and its appointed representatives, where reasonably necessary in an emergency and where I cannot be contacted in time, to obtain medical assessment and emergency treatment for the Student. I understand that this does not replace my obligation to disclose medical information or maintain appropriate insurance.

23. Optional Media Consent

Please select ONE option:

- ☐ YES - I consent to photographs/video of the Student being used in GoStudyIreland's website, brochures and social-media marketing.
- ☐ NO - I do not consent to identifiable photographs/video of the Student being used for public marketing.

This choice does not affect participation in the programme.
